	Polo Alba	alba.polo@psychologie.ch	Psychological Institute, University of Zürich	Bellerivestr. 251 8008 Zürich	My research interests are focussed on narrative identity, conversation analysis, psychoanalysis and adolescent development. Beside this I am a skilled psychotherapist and psychoanalyst. My doctoral thesis is about narrative developmental psychology: I conducted and analysed biographical interviews with 14 to 18 year old adolescent girls about their relationship with their father. My interest also concerns literature and film production: 2008 I co-founded the „Forum für Literatur und Psychoanalyse“, an interdisciplinary working group.
