	Benabed, Fella	benabed.fella@u niv-annaba.org	English Department, Badji Mokhtar University, Annaba, Algeria	18 rue de Mauritanie, Annaba, 23000 Algeria	<p>My research interests are multidisciplinary: I have initially started my postgraduate studies in African literatures. They have opened wide research vistas in postcolonial, narrative, and ecological turns in the humanities, which are also related to cultural globalization studies. In my doctoral research, I have shifted my focus to the culture and literature of Native Americans, and relied on a multi-dimensional analysis, which merges postcolonial, anthropological, ecological, narrative, and psychological approaches to explain the historical trauma and healing patters of Native Americans.</p>
