Finnern, Sönke	s.finnern@evtheol.uni- muenchen.de	Evangelisch- theologische Fakultät, Ludwig- Maximilians- Universität München; Geschwister- Scholl-Platz 1, 80539 München (Munich)	Melanchthonweg 47, 71522 Backnang, Germany	<p>I am interested in a practical method for narrative text analysis based on narratological theory. - - In my dissertation, I worked on "Narratology and Biblical Exegesis" (Tübingen, Mohr Siebeck 2010).</p> <p>My main concern was to develop a comprehensive and detailed method for the analysis of narratives (setting, plot, character, perspective, reception) based on current interdisciplinary research in narratology and especially the "cognitive turn". On a number of subjects (cognitive communication model, fictional vs. factual narrative, character analysis, reception analysis etc.) I try to provide new solutions and models also for narratological theory in general.</p> <p>See http://www.mohr.de/en/theology/subject-areas/all-books/buch/narratologie-und-biblische-exegese.html</p>
