Campion, Baptiste	baptiste.campion@uclouvain.be	Université catholique de Louvain (UCL)	Ruelle de la Lanterne magique 14 B1348 Louvain-la-Neuve (Belgium)	I'm studying educative effect of narrative hypermedia. I try to highlight effect of narrative structure on mental models built by readers, and to assess effects of non-linear narrative on mental model dimensions. I mainly focus on narrative structure, character's role and dimension of the storyworld.
