Fořt, Bohumil	bohumil.fort@utoronto.ca	<p>1. The Institute for Czech Literature, Czech Academy of Sciences</p> <p>2. Dept. of Czech Literature, Masaryk University, Brno</p>	Dusikova 37 602 00 BRNO The Czech Republic	<p>The primary field of my interest is the theory of fictional worlds in general and the ways in which fictional worlds are based in fictional narratives in particular. I have also worked extensively in fields connected with this theory, such as semiotics, semantics, logic and narrative grammar. My secondary field of interest involves Prague School's structuralism and also the issue of literary character.</p>
