Dennerlein, Katrin	katrin.dennerlein@uni-wuerzburg.de	assistant at the chair of Prof. Jannidis, Institut für Deutsche Philologie. Universität Würzburg	Dr. Katrin Dennerlein Lehrstuhl für Computerphilologie und Neuere Deutsche Literaturgeschichte, Institut für Deutsche Philologie, Universität Würzburg, Am Hubland, DE-97074 Würzburg	I have worked on the generation and structuring of space of a fictional world in the process of narrating. I also treated some aspects of the meaning of space. Apart from that I'm interested in theories of narrative communication and devices for narrating perception.
