Fludernik, Monika	sekretariat.fludernik@anglistik.uni-freiburg.de	English Department University of Freiburg Germany	Prof. Dr. M. Fludernik English Department University of Freiburg D 79085 Freiburg Germany	I have worked on speech and thought representation, mostly free indirect discourse; on tense (especially the historical present tense) in narrative; on deixis; on second-person fiction; on natural narrative; on historical or diachronic narratology; on metalepsis; and on identity/alterity in (postcolonial) narrative. My publications include <i>Towards a 'Natural' Narratology</i> (1996) and a special issue of <i>Style</i> on German narratology (co-edited with Uri Margolin).
